# Advisory support for EU proposal

# Advisory support for EU project management

**We help with:**

- Analysing published information and informing cluster members
- Understanding the H2020 program and relevant calls for your business
- Advice in proposal preparation by holding bilateral dialogues with cluster members
- Organising an annual information day for cluster members & other interested businesses

**Awareness**

**smart** innovationnorway **Innovation Norway** Norwegian Centres of Expertise **NCE Smart Energy Markets**

INJECT

**We help with:**

- Targeted partners search for envisaged activities in H2020
- Informing cluster members about upcoming events organized by EC
- Participating in the relevant events & information days organized by the EC
- Representing NCE Smart Energy Markets and its cluster members in NCE presentations, discussions.

**Networking**

**smart** innovationnorway **Innovation Norway** Norwegian Centres of Expertise **NCE Smart Energy Markets**

INJECT

**We help with:**

- Providing dedicated support in the proposal preparation process
- Helping to connect with potential consortium partners inside/outside Norway
  - Advising in preparing proposal budget
  - Supporting in self-evaluation
- Supporting in preparing a legal registration in the Participant Portal

**Advisory support for EU proposal**

**smart** innovationnorway **Innovation Norway** Norwegian Centres of Expertise **NCE Smart Energy Markets**

INJECT

**We help with:**

- Providing advice on H2020 project management
- Support in managing key challenges, incl. grant & consortium agreement preparation
- Helping with any other unpredicted challenges
